Erlangen, den 10.07.2023

Confirmation online studies (late arrival)

To whom it may concern,

This is to confirm that students who have been admitted to our Master's program in Medical Engineering for winter semester 23/24 are offered the possibility to take online courses from their home country, so that they can study remotely in their first semester until they receive their visa. **This means that students do not need to be in Erlangen for the start of the lecture period. Enrollment is carried out via post and does not require students' presence either.**

However, we expect our students to be present in Erlangen for the beginning of the exam period (beginning of February 2024).

Enrollment period for winter semester 23/24: July 24 - September 30 2023

Start of winter semester 23/24: October 1 2023

Start of lecture period: October 16 2023

Regular duration of the Master's program in Medical Engineering: 4 semesters

Expected graduation date for students starting in winter semester 23/24: September 30 2025

Kind regards,

Claudia Barnickel
Study Coordinator Medical Engineering
