**For your second log in,  
please click here!**

### Failed login as a student on the day of the exam

In case you have problems with your login on the day of your exam, please contact **your examiner directly**. He/she can provide you with a **registration code** that you can use to create a **temporary user account** for the exam **via the link below**.

[Go to self-registration with access code](#)

**Note for examiners:** you can use this platform throughout to create your registered online tests and exercises. However, please do not perform more extensive imports and exports until after 6 p.m., when no more exams are written. In case you haven't registered your planned exams yet, follow [this link](#).

Information for Students

2023-06-15 Zulassungstest MSc Medizintechnik - Bildgebende Verfahren

Dr. Christian Brosch | Geschäftsstelle Department Informatik | 09:00

**Click here to start the test! But remember,  
you need to finish in 60 minutes!**

**Every specialisation has its own  
test, you get the one, you  
selected in your application**

## DECLARATION OF OWN WORK

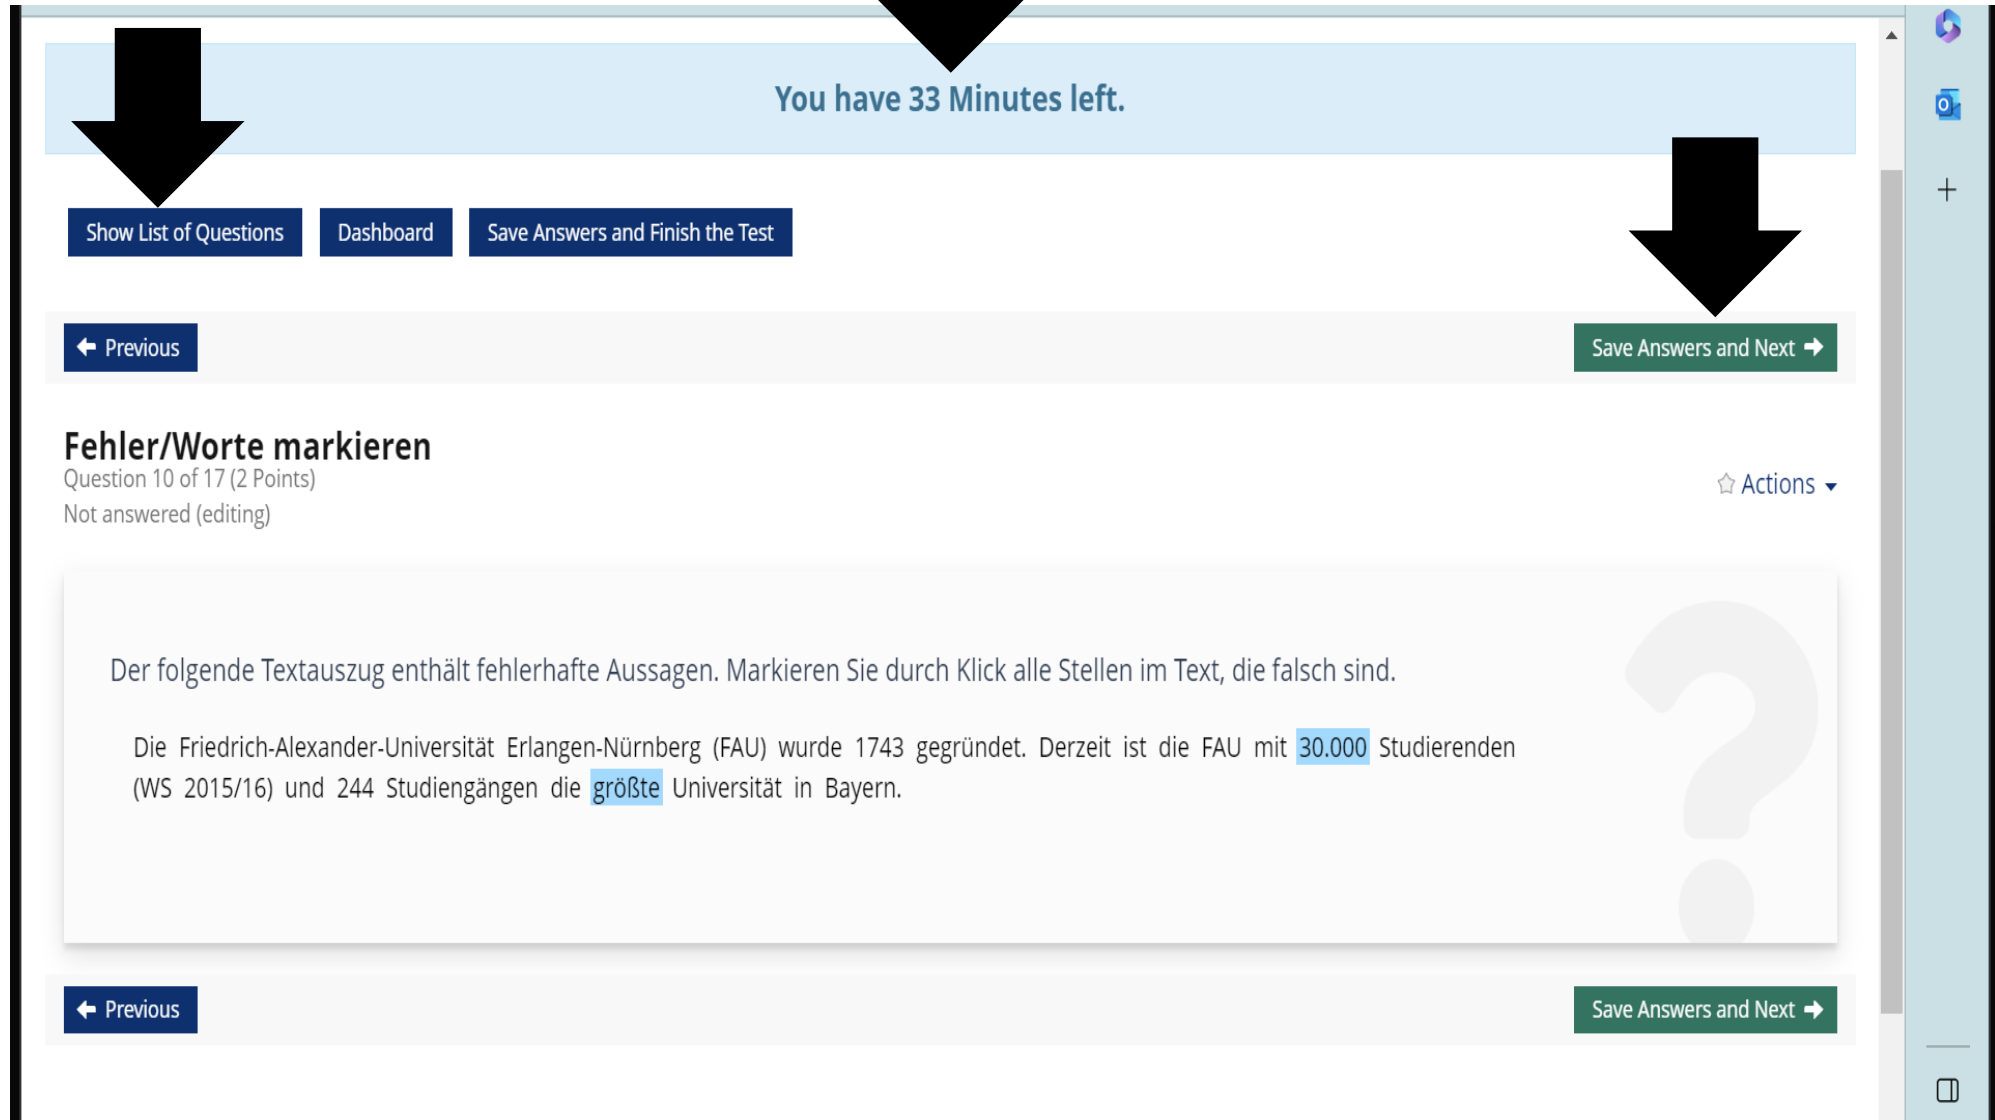

**Legal statement to be confirmed  
by you!**

You must confirm that the examination is the result of your own work by accepting the statement at the start of the examination session and when you upload a file during the examination. Please ensure that you familiarise yourself with this procedure before the examination. By submitting the declaration of own work, you confirm that you understand and will comply with the regulations for remote examinations.

I hereby confirm that I will **complete the examination independently** and without the unauthorized assistance of third parties and without the use of undisclosed and, in particular, unauthorized aids. This work has not been previously submitted in its current form or in a similar form to any other examination authorities and has not been accepted as part of an examination by any other examination authority.

In particular, I am aware that **the use of artificial intelligence** is forbidden unless its use as an aid has been expressly permitted by the examiner. This applies in particular to chatbots (especially ChatGPT) and such programs in general that can complete the tasks of the examination or parts thereof on my behalf.

# Information for you

The screenshot shows a test interface with several annotations. A large black arrow points from the top title 'Information for you' down to a light blue banner. Another black arrow points from the top left down to a 'Show List of Questions' button. A third black arrow points from the top right down to a 'Save Answers and Next' button. The interface includes a top navigation bar with a logo, a search icon, and a plus sign. Below the banner are three buttons: 'Show List of Questions', 'Dashboard', and 'Save Answers and Finish the Test'. A navigation bar below that contains '← Previous' and 'Save Answers and Next →'. The main content area is titled 'Fehler/Worte markieren' and includes the text 'Question 10 of 17 (2 Points)' and 'Not answered (editing)'. The question text is: 'Der folgende Textauszug enthält fehlerhafte Aussagen. Markieren Sie durch Klick alle Stellen im Text, die falsch sind.' followed by a paragraph about FAU. The paragraph has two highlighted numbers: '30.000' and 'größte'. A large, faint question mark is visible in the background of the text area. At the bottom, there is another navigation bar with '← Previous' and 'Save Answers and Next →'. A small icon of a document is visible in the bottom right corner of the interface.

**You have 33 Minutes left.**
