### Ein paar wichtige Regeln:

- **Sprecht eure Dozenten nicht auf Prüfungsprotokolle etc. an!** Das führt u.U. dazu, dass die Dozenten ihre Klausuraufgaben in Zukunft verändern.
- **Gebt die Dateien nicht selber digital weiter!** Das sehen einige Lehrstühle nicht gerne...
- **Ladet eure eigenen Unterlagen hoch!** Diese Materialiensammlung kann nur aktuell gehalten werden, wenn **DU** mithilfst! Alles, was dir bei der Vorbereitung geholfen hat, kann auch anderen helfen! Insbesondere **Gedächtnisprotokolle** von Prüfungen sind hilfreich. Deine Unterlagen kannst du entweder selber im [Upload-Ordner](#) hochladen oder per Mail an [fsi-medtech@fau.de](mailto:fsi-medtech@fau.de) schicken.

Bitte haltet euch an diese Regeln!

### A few important rules:

- **Don't confront your lecturers with examination protocols!** This may lead to lecturers changing their exam questions in the future.
- **Don't pass on files on your own!** Some chairs don't like that...
- **Upload your own material!** This material collection can only be kept up-to-date if **YOU** help! Everything that was helpful for you preparing for the exam could be helpful for others as well! **Memory-records of exams** in particular are helpful! You can either upload your material to the [Upload-folder](#) or send them via e-mail to [fsi-medtech@fau.de](mailto:fsi-medtech@fau.de).

Please stick to these rules!

**Tipp:** Mit Klick auf den Pfeil rechts und dann "Download" kannst du ganze Ordner auf einmal als .zip-Archiv herunterladen.

### Datensammlungen

### Upload

Upload

Hier kannst du deine eigenen Materialien und Altklausuren hochladen. Wir werden sie dann in die Sammlung einfügen. Vielen Dank fürs Mithelfen! :)
